

DR. DEE EVANS

ARCHITECTING A NEW AGE

Thank you for taking the time to read my 2025-2026 speaker packet.

I've included in this speaker packet, booking information and speaking fees. I also encourage you to visit my social media (all social media handles are @heydrdee) for speaking clips for your research,

While I've provided a lot of helpful information in this speaker packet, I would like to highlight three things about me:

1. The most important relationship in my life is my relationship with God.
2. I'm a scholar as well as a charismatic. You can expect my teachings to reflect biblical scholarship as well as an openness to the movement of the Holy Spirit.
3. My team is extremely easy to work with.

I'd love to send you a complimentary copy of one of my Bible Study episodes. Email me at contact@thedeeevans.com.

I trust that God will lead you as you plan for your event as well as your process of choosing the best speaker that fits your event.

All the best!
